

Hello Two Rivers Gymnastics team! I'm so excited to be joining this amazing program as an assistant coach.

My love for gymnastics began at the age of 3 when my parents enrolled me at Crowley's Gymnastics Center in Oakdale, MN because "I was always bouncing off the walls!" I'm thrilled for this opportunity to get near the sport that has always been my first love.

Rather than write you a paragraph to introduce myself, here are a few bullet points.....

I grew up in Woodbury, MN and was part of the Woodbury Highschool Gymnastics team from 7<sup>th</sup> grade until 12<sup>th</sup> grade. Following high school, I attended the University of Wisconsin- La Crosse where I was also a gymnast my freshman year, studied in London for a semester and graduated with a degree in Business Management & Technology.

Shortly after graduating, I took an outside sales job with 3M that brought me to Dallas, TX for the next 13 years. In July 2019, my family moved back to Woodbury, MN so I could take an opportunity to become a 3M Training Manager (still my full-time job). My two sons, Mason and Logan, are in 3<sup>rd</sup> and 1<sup>st</sup> grade. They are both high energy little guys that love sports, swimming, and anything that gets them outside.

When I'm not working, parenting, or coaching I love to be outside by the water, travel, sing, go to concerts, and check out new restaurants.

I sincerely look forward to getting to know all you this season and can't wait to begin making an impact with this excellent program!
